D: ESSAY

- 1 Candidates may or not take a Stance at the level of the introduction to show that the young boys / girls are dropping out of school to play football.
- 2 Disadvantage of dropping out of school to play football.

3 For expository . candidates should give the disadvantages of dropping out of school just to pursue a career in football . Examples.

- Even though playing football is good and one can easily become rich. very few people can successfully make a career in football.
- Your football career can fall but if you are educated. you will be open to other opportunities.
- Education is the key to success in several fields even in football. Even market woman for example need some form of education.
- Football needs techniques know-how and without these it will be difficult to canvass and lobby for good contracts just with your football talent.
- Football career is very short compared to other professions. At a certain age footballers become tired and are not allowed to continue playing no matter talented or good they can be.
- Football is a risky profession. You can collapse on the field and die from it. Nowadays many more footballers experience this
- Many people are very successful in life without being footballers
- many school dropouts who want to play football will not hold strategic positions in the Society because they are not qualified. Conclusion : Even though football is good, it will be unwise to drop out of school just to pursue a career in football.

For a argumentative essay, candidates should be able to provide examples of successful footballers who never went to school.

- Some footballers are rich / wealthy so they achieve many things in life in a very short period of time.
- Being a footballer makes you famous and it does not necessary need education.
- We don't need certification other to play football Etc.

4 Layout / presentation : Candidates must present the following.

a. Title of the speech

i. Presenter

ii. Occasion / event

iii. Date

b. Opening (stratified) greetings depending on the people present.

c. Body.

- Candidates should be able to discuss some bad rituals / practices such as overspending during funerals, ill-treatment of widows or widowers ; rituals such as killing of animals, incantation, involving the death, consulting soothsayers to find out causes of the death, sharing of hair with broken bottle razor blades ; celebrating jujus ; burying corpses inside the house ; etc.
- Candidates should be able to advise members of their communities to create some theses malpractices by stating the consequences of such acts. For example sharing of hair with unilateralist objects can lead to the transmission of HIV / AIDS and other diseases.
- Also involving the spirit of the death and or revelations by the soothsayers can lead to conflict. Etc

Ending of the speech lowest to the highest

Long live Ngousso village

Long live Cameroon.

d. Layout : Title (should have captivating title) Name of the write

Body

Candidates should talk about the dangers involved in consulting traditional doctors. Eg. Dosage not determined unlike in conventional medicine ; they claim to treat all kinds of diseases ; no test is done before treatment : some are charlatans / fake - they dupe their clients ; traditional medicine is more often as well stred / conserved and sometimes are produced under unhygienic conditions ; etc
