Through,

The Examination Officer North West,

**Subject: A complaint against underpayment of invigilation dues and writing material for TVEE for the 2022 examination sessions.**

Sir,

We write to appreciate the Cameroon General Certificate of Education Board for being resilient and upholding the standard of the examination during this crisis period.

We however wish to draw the attention of the registrar to the fact that invigilation dues for the 2022 session for the GCE Examinations were underpaid.

According to the rules and regulations of the 2022 session and under article 2.2.3 we were instructed to allocate 15 candidates per invigilator for paper 1 and 30 candidates per invigilator for paper 2 and 3.

The amount of invigilation dues we received didn't match with the number of sessions

Also dues for specialized writing material (cansons and tracing papers) for **ITVEE** and **ATVEE** were not paid.

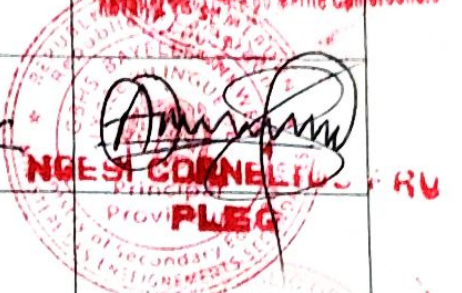

Sir, we appeal to your high office to recalculate the invigilation dues following the attendance registers per centre. We also crave your indulgence to pay the afore mentioned **TVEE** dues.

Sir, we are waiting for your reaction in order to commence payment
